

# BROOKLYN DAM REMOVAL

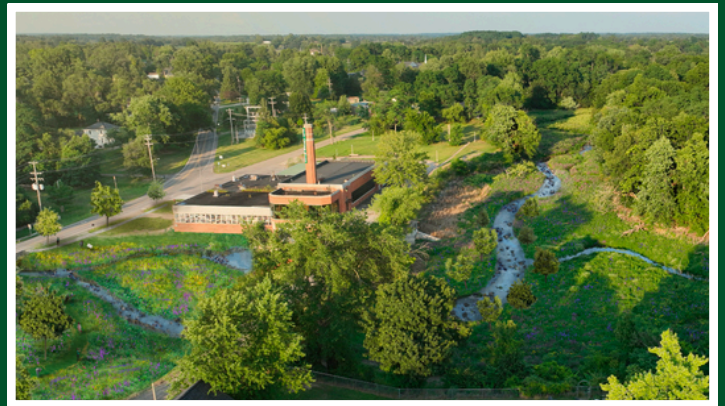

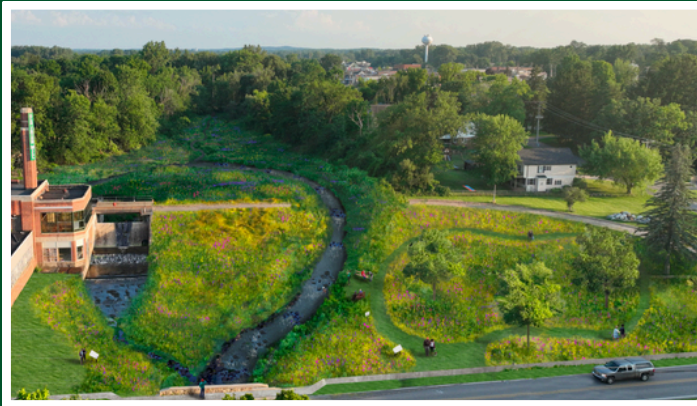

JANUARY 2025

## Monthly Newsletter

ISSUE 02

### Project Renderings

VISUAL REPRESENTATION OF ANTICIPATED PROJECT OUTCOME

### Project Status:

- Completed LiDar drone survey of Brooklyn Dam and Nooney Dam proposed construction areas
- Continuing to work with adjacent landowners to finalize construction agreements
- Working with historical consultants to finalize archaeological status

### Coming Up:

- Working with the Village to set up a community outreach meeting early 2025 (date TBD)
- Coordinating Mill Street Bridge replacement with The Village and contracted engineering firm
- Finalizing engineering design plans for dam removal and stream restoration
- Beginning to apply for State and Federal permits

Thank you for your continued support, we are excited to see where 2025 takes the River Raisin Watershed community.

With that, we want to extend a warm welcome to the River Raisin Watershed Council's NEW Executive Director, Sean Dennis!

If you want to learn more about this project and River Raisin Watershed Council visit their website here: <https://www.riverraisin.org/brooklyn-dam>
