**River Raisin Watershed Council  
Executive Committee Special Meeting Minutes  
February 25, 2021 – 9:00 AM  
Zoom Meeting due to Covid-19**

### **Roll Call**

Chairman Calhoun called the meeting to order at 9:05 a.m.

Executive Committee Members Present: John Calhoun, Sybil Kolon, Harry Sheehan, Phil Kittredge.

Executive Committee Members Absent: KZ Bolton, John Chandler and David Hoffman.

Others Present: Stephen May – RRWC Executive Director, Brandon Ellefson, Limnotech, Trudi Cooper.

### **New Business**

This meeting was held to discuss the application by the Loch Erin Lake Association to EGLE for a grant for a watershed management plan for part of the Wolf Creek sub-watershed. Kittredge is with the Lake Association and has been working with Brandon Ellefson of Limnotech on this proposal.

Kittredge and Ellefson provided background. They are asking for \$70,000 of \$260,000 available. They are looking for a letter of support from RRWC related to education/outreach efforts included in the application. Sheehan indicated that Washtenaw County may also consider in-kind support. RRWC had offered \$6,500 of in-kind support in the support letter we provided last year.

There is some concern the lake association may not be qualified to apply.

Motion by Sheehan, second by Kittredge, to provide a letter of commitment for in-kind support for the Upper Wolf Creek Watershed Management Plan. **Motion carried by voice vote.**

### **Adjournment**

Motion by Sheehan, second by Kittredge, to adjourn the meeting at 9:47 a.m.

Respectfully submitted by Sybil Kolon, Secretary, March 10, 2021
